

UUCSC Communication Audit

1. Welcome to the Survey of UUCSC Communication!

We want to know what you think about communication in our Unitarian Universalist Congregation of South County (UUCSC). Your answers will help us find out where our strengths, and where we should improve—then we CAN improve! We thank you in advance for your help with this crucial project.

Our report and analysis of survey results will offer only overall responses, with no individual identified—your responses will be confidential. Submitting a print version, OR online, clicking the "Next" button, you confirm that you consent to UUCSC use of your confidential input.
